

April 30, 2011

Brock White Company is pleased to announce the acquisition of the Appleton and Wausau branches of Brick and Supply, effective April 30th, 2011. The branches will operate under the "Brick & Supply – A Brock White Company" name and continue to stock their current lines of construction materials and equipment along with an expanded line of products now available through Brock White. These offices are exciting additions to our current office in Green Bay.

Brick and Supply, a Division of Black Creek Lime Stone Company, has been serving Wisconsin contractors with superior customer service for over 75 years.

Brock White has been a trusted supplier of many lines of construction specialties since 1954 serving commercial, residential, highway and industrial contractors through distribution centers in Minnesota, North and South Dakota and across western Canada. We strive to be *Your Source* for a wide array of building materials as well as *Your Resource* for the technical knowledge and problem solving you need to get the job done right.

Thank you for your past support. We are eager to work hard to do what we can to Help Build Your Success.

Sincerely,

Richard Garland
