**“Brock White Company Acquires of Wausau and Appleton Branches of Brick & Supply”**

**St. Paul, MN – May 2, 2011**

Brock White Company is pleased to announce the acquisition of the Appleton and Wausau, WI branches of Brick & Supply, effective April 30<sup>th</sup>, 2011. Brick & Supply, a Division of Black Creek Lime Stone Company, has been serving Wisconsin contractors for over 75 years. The branches will now operate under the name “Brick & Supply – A Brock White Company” and will continue to stock their current lines of construction materials and equipment along with an expanded line of products now available through Brock White.

“These offices along with our existing Green Bay branch will work together to significantly expand our Wisconsin presence,” says Brock White Company President Richard Garland. Among other remaining Brick & Supply staff, Scott Vanden Heuvel and Larry Houdek are continuing with Brock White to manage the Appleton and Wausau branches, respectively.

Brock White has been a trusted supplier of many lines of construction specialties since 1954, serving commercial, residential, highway and industrial contractors through distribution centers in Minnesota, North and South Dakota and across western Canada. The information for the newly acquired branches is as follows:
